LORNA G. SCHOFIELD, District Judge:

WHEREAS, a conference was held on July 2, 2020, to hear oral argument on Defendant's motion to compel discovery pursuant to Federal Rule of Criminal Procedure 16(d)(2)(D) and a court's inherent authority to oversee discovery (Dkt. No. 66);

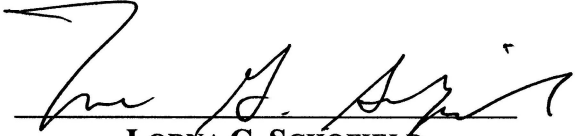

WHEREAS, Defendant's motion to compel identification of *Brady* materials and certification for completion of production was denied (Dkt No. 93). The parties were directed to meet and confer on a schedule for pretrial disclosures of witness and exhibit lists and were advised that if the parties could not agree on a schedule, the Court would rule on Defendant's motion to compel such disclosures;

ORDERED that Defendant's request is GRANTED in part. Five weeks in advance of trial, the Government shall identify potential exhibits it may introduce, and witnesses it may call, in its

case-in-chief. Two weeks thereafter, Defendant shall identify potential exhibits he may introduce in the defense case, including non-impeachment exhibits he may introduce in connection with cross examination of the Government's witnesses, and witnesses he may call, in the defense case.
